Dear Mom & Dad.

Here I am in the staff mess writing this letter. Am listening to the radio. The program on is Hope, Garland, and Sinatra. It is a darn good program. It sure is another beautiful evening here. Most be full moon or something because the moon is really pretty.

We today we worked only a half a day. Had this afternoon off, so caught up on some of my back time. Slept all afternoon and it sure was nice. At the present time the hit parade is on. It is a rebroadcastion.

Tomorrow I am going up the island to get some stuff for Seely, our M Gy Sarge. He is a swell fellow. Harley is going along. At the present time, Sinatra is singing. He isn't bad, but doesn't quite compare to Crosby.

Havent gotten and letters for a couple of days now, but tomorrow is another day and therefore hope again.

Am sending the money order in this letter. Be sure and let me know when it arrives. Put it to use as I wrote in the other letter.

Dear

How is everyone, including yourself? I will write to June and Glad Grandmom tonight. It sure was warm today.

Guess I am going fishing Monday. Don't know for sure yet. Haven't been swimming for quite some time, so maybe will get the chance. Hope so anyway. Well one finished conversation are running out, so will close for now. Don't worry, everything is just fine and dandy. Send full letter.

Love
Bill
