Dear Mom & Dad,

Sorry I haven't written sooner but you know how things are over here. Things are just fine over here. Haven't received your five yet, but am hoping it will arrive pretty soon. Suppose Pa is pretty happy over the thought of putting in an extension of line. Tell him he had better learn to like that book work even if it is a little tiresome! When I get home maybe I can do that work for him, but until then he'd better stick to it. Have a wonderful

time swimming and
fishing on our days off.
I told you in that
I Mail that I met Howard
Hallace on the boat
coming over. It was a
real surprise. He are
definitely not following
I am ~~sure~~ at all!
Wish I were thought.
Could be a great
treat to see him.
Say Mom will you
look in my latest
year book and see
whose initials are W. A. B.?
I got a Xmas card signed
that way and I can't
figure out who sent it.
Say hello to everyone
for me and also see
some basketball games
for me. Have the boys

are doing a. K. for themselves,
considering. Wife is doing
alright for ament they?
I had to hear that got
Ireland from Northampton.

Let paid ~~to~~ \$30 Monday.
That is going to come
in very handy. You
will probably start
getting that \$20 dollar
allowment I took out
at Elliott. This is
all for now.

Love
Bill
