AMERICAN RED CROSS

Dear Mom & Dad,

I'll write again, even though I haven't anything to write about. Haven't been doing much in the way of excitement. How are you and hope everyone else is O.K. also. This evening was spent in playing cards - just a friendly game, no money involved. Then we went over to the Red Cross tent and read and there I picked up this stationery. Everything here is fine. Hank is coming along just fine. Have gained more weight so your snow the show is alright. Never felt happier since I have been away from home. Several fellows here from La Cross and
