Fried chicken, peas, corn, mashed potatoes, cake, and coffee. Then it started to rain so he gave us a raincoat apiece to keep. It was really a swell.

Saw a B-24 today. It sure is a beautiful thing. The inside looks queer and crowded. How are the things on the home front? Heard that the weather in Calif. was pretty bad. Couldn't mind seeing it. Received the razor and knife today. Thanks a

million for them can
always give them. I
ought to get some mail
pretty soon now that
I got the package.

Tomorrow we start school
in ordnance. Have it
for about one week. Will
be a chance for me to
learn something. (if I can)

Have you heard from
Aunt, Lyl, or Tex? If you
have give me their
addresses. Right now it
is raining. Hope it keeps
it up for a while. I
can sleep when it rains
like this.

Things here are very
fine. Do don't worry. Hope
to hear from you soon.

Your loving son,
Bill
