Dear Mom and Dad,

I'll am writing this letter from the [redacted]. I am all along tonight. There are usually two of us, but this evening couldn't find the other fellows. Just finished a letter to June. Took me quite awhile to write it because I had to take a truck and drive around the [redacted] picking up [redacted] at different places.

Got an Easter card and a couple of letters from June. The Easter card was quite the thing. It was really nice.

Have just had some work to do. Lt. brought back some so had to take care of some book work. Sort of like it too.

Tomorrow morning some of the fellows are going fishing. All of us are going, but just a certain amount at a time. I will go later. We have tomorrow afternoon off, being it is Good Friday. Hope you have a nice Easter, even if this does arrive to late to be on the day.

Stoff has left for the Marine also. What is the deal, that they are all leaving for the corps? So bad he didn't finish school. Sure am glad I did now. I know what it means to have finished H.S. Just had an other interruption.

How is everyone around home?
Still haven't heard from Tom. He
is probably pretty busy though.
I brought out 2 ~~air~~ mail
stamps and in the hustle and
bustle, have lost one so will
have to get one in the morning.

Got paid today. Received \$35.75
so you can be expecting a
money order in one of my letters
as soon as I get the money
order. Be sure and write and
tell me of your receiving the
money.

I'll can't think of any more
so will close. Take care of
yourself and I will do the
same.

Your Son
Bill
