Dear Mom + Dad,
Writing this to inform you
of the change of address. Things
here are just fine. Have had
guard duty and have been
on a few working parties.
We play basketball, foot-
ball, and softball. Also
see a movie every evening.
How are things there? Tell
everyone hello and also write
to Carl, Pop, and Sam and give
them my address. I'll
write to them at the first
opportunity.
How is the high school
team coming? Better see
some more games! How
did the picture turn
out that fare took? Guess
this is all for now.
Love Bill
